

## FROM THE PRINCIPAL

### COVID

I am aware that COVID numbers generally in Surrey Heath are still fairly high and I am hearing that many schools in the Woking area are experiencing very high levels of staff and student COVID-related absences. However, currently we have relatively small numbers at Collingwood that are absent-related to COVID.

As you are aware, we have kept a number of procedures in place, such as no indoor assemblies or large indoor events/meetings, which we feel are helping to limit transmission and we will continue with these measures for the first two weeks after the half-term break to see how the situation looks then. We are, of course, anxious for all activities to return to pre-pandemic arrangements but we are still being cautious to protect our core business of daily face-to-face lessons for all students.

### Year 7 Parents' Evening Attendance

I wanted to highlight the fantastic support from Year 7 parents last week as we had in excess of 90% attendance for this event, which not only is the highest engagement figure for the last few years for a Parents' Evening but also demonstrates how successful such virtual events can be.

### Advance Information for GCSE, AS and A Level Exams Released

We are delighted to have received the advance information to support our preparation and planning with our examination classes and for students to focus their revision. However, I can again reassure you that we have our contingency plans in place which I referred to in a previous newsletter item should examinations be cancelled.

CONTINUED ON PAGE 3

## YEAR 7 BOYS DO COLLINGWOOD PROUD AT TOURNAMENT

On Monday 31 January our Year 7 boys took part in a 7-a-side football tournament hosted by St John the Baptist school. Twelve teams were involved and Collingwood were in Pool 3, playing fixtures against Winston Churchill, Fullbrook and Hoe Valley. The team played exceptionally well from the first game and won their group comfortably, securing wins against Winston and Hoe Valley, and a 0-0 draw against Fullbrook. Into the semi-finals and Collingwood again played some excellent football throughout and edged a 1-0 victory against Salesian.

In the final Collingwood faced St John the Baptist who had won every game they had played so far either 2-0 or 3-0. The final was competitive and evenly matched and ended 0-0 meaning it had to be decided on penalties. Unfortunately we lost on penalties (I've never been a fan!) meaning we finished the tournament as runners up, However we were undefeated and also did not concede a goal in open play throughout the tournament.

The boys played excellently throughout and certainly did themselves and Collingwood proud.

Well done boys!

**Squad:** Ethan Welham, George Osmond, Cole Kleboe, Jacob Reeve, Louis Barney, Remi Mohindra, Kayden Jessop and Beau Joseph.

*Mr Chaaban - Senior Assistant Principal / Year 7 Football Manager*

# DATES FOR YOUR DIARY - DON'T MISS OUT!

<b>Thursday 10 February:</b>	Year 8 Options Evening (Virtual) Year 7 Run for Resources
<b>Friday 11 February:</b>	END OF TERM
<b>Monday 21 February:</b>	INSET Day
<b>Tuesday 22 February:</b>	Start of Term for Students Year 8 Boys HPV Immunisations, 8.30am until 1.00pm, Kingston Theatre
<b>Thursday 24 February:</b>	Year 9 Parents' Evening (Virtual), 4.15pm until 7.30pm
<b>Thursday 3 March:</b>	Year 8 Parents' Evening (Virtual), 4.15pm until 7.30pm

## OUTSTANDING LINGUISTS

Please congratulate the following Years 7 and 8 students on being nominated by their language teacher, as an 'Outstanding Linguist', for demonstrating exceptional skill and talent during their language lessons this half term.

### Year 7 French

Niamh Appleton  
Aidan Coe  
Joseph Conte  
Charlotte Cummings  
Martina Kantor  
Isabelle Mustafa  
James Rea  
Zoe Ruske  
James Stockley  
Lyla Thompson

### Year 7 Spanish

George Burton  
Ruby Davies  
George Evans  
Jessica Ford  
Oscar Lovell-Smith  
Oliver McBride  
Lilly Morris  
Ada Muftuoglu  
Hollie Nixon  
Elissa Quartey

### Year 8 French

Oliver Barrass  
Lila Bishop  
Samuel Cross  
Gaurang Gupta  
Evalyn Haine  
Neel Harindranath  
Eloise Holland  
Pawel Konopacki  
Ryan Lambert  
Jessica Law  
Finnan Loveday  
Ryan Macleod  
Georgia Mitchell-Jones  
Alfie Moulton  
Megan Thomas  
Lauryn Thue-Tun  
Daniel Watts  
Amelia Whattingham  
Eva Wilcockson  
Bethan Wood

### Year 8 Spanish

Jessica Atfield  
Charlie Biddle  
Sophia Blair  
Eva Byrne  
Guy Claydon  
Dominic Coote  
Daniel Crane  
India Goodrich  
Chloe Gower  
Evie Green  
Jack Hobbs  
Dylan Hosali  
Summer Hughes  
Ellie Jones  
Esha Mangat  
Muhsin Miah  
Amy O'Shaughnessy  
Lucia Simons  
Lucas Terry  
Chelsea Wilde

*Mrs Garcia - Languages Department*

## FROM THE PRINCIPAL

CONTINUED FROM PAGE 1

This week the exam boards have published advance information on the content of most GCSE, AS and A level exams in Summer 2022 on their public websites. This is part of an unprecedented package of support for students, including changes to non-exam assessment, providing formulae and equation sheets in some exams and more generous grading, to help make exams as fair as possible this year.

There is advance information for all GCSE, AS and A level subjects, with the exceptions of art and design (because they do not have written exams) and GCSEs in English Literature, History, Ancient History and Geography, which have some optional topics or content instead. I will also point out that due to the variety of specifications covered, the different conventions within subject areas, and how those are assessed, advance information will be different for each subject. The diagram on the right summarises the additional help for students taking exams in Summer 2022.

Ofqual have also issued a letter for students to reassure them. This letter has been placed on Edulink and emailed to students. I have reproduced this below which includes useful links to support revision.

### Additional help for students taking exams in summer 2022

*Dear students*

*In my job as Chief Regulator of qualifications I get to meet many students, teachers and parents from different parts of the country. Speaking to students like you, who are getting ready for formal exams and assessments, it's clear to me that you want life to get back to normal and that you would like as much certainty about what is going to happen as possible.*

*For that reason, the exam boards have, this week, published for you 'advance information' on their websites. This is subject by subject, specification by specification, specific outlines of the focus of questions across many of your summer exams. **We've added a tool on our website which shows you what is available for each subject.***

*These materials are just one of the ways we are working to make sure that, despite the disruption caused by the coronavirus (COVID-19) pandemic, your exams and formal assessments are less daunting.*

*You will also get formulae sheets for GCSE maths exams and updated equation sheets for GCSE physics and combined science exams, so you won't have to memorise as much.*

*As well as advance information and formulae sheets, you will be supported by generous grading, which will provide you with a safety-net to protect you from just missing out on a grade. We will also publish videos, infographics and other materials to help those of you who have been prevented from ever sitting a formal exam, to know what that feels like. You can find more information at the following official sources:*

**[Rolling update](#)**  
**[Ofqual Instagram](#)**  
**[Ofqual blog](#)**

*Best wishes*  
**Dr Jo Saxton**  
 Chief Regulator

*Mr Tanner - Principal*

RETURN TO PAGE 1

# VALIANT EFFORT FROM OUR YEAR 10 BOYS

It was a pleasure once again to take the Year 10 boys football team to the recent district boys 7-a-side tournament at St John the Baptist School in Woking. They did not quite do enough to win their pool, but Max Clark, Jack Brown, Jack Mallon, Leiland Curtis, Marcel Balicki, Jacob Loveday, Harrison Taylor, Rhys Evans and Jake Gill played very well in a difficult, high tempo grass tournament.

It was great to see the boys again ahead of the second half of the football season that kicks off with training on Friday 25 February at the Sports Hall.

All are welcome regardless of ability. The more the better. Bring your own choice of football kit, football boots and Astro turfs because we might mix it up with some 5-a-side competitions as well.

*Mr Beer - Head of PE Department / Year 10 Football Manager*

# HELP THE LANGUAGES DEPARTMENT CELEBRATE DIVERSITY AT COLLINGWOOD

*Do you speak (even just a little) a different language at home?*

*Does your family come from a different country?*

*Then please come and share some of your culture and your language with us!*

*Contact Ms Bauduin or any Languages teacher for more information.*

## Let us advertise for you!

Advertising space in our Weekly Newsletter is available at the following rates:

• **One-off Advert - appearing in one edition only:**

£7.00 for a quarter page      £13.00 for half a page      £25.00 for a full page

• **Appearing once per month (for a 12-month period):**

£58.00 for a quarter page      £93.00 for half a page      £148.00 for a full page

• **Appearing in each issue (approx 39 issues per year for a 12-month period):**

£165.00 for a quarter page      £270.00 for half a page      £445.00 for a full page

Adverts must be suitable for publication in a newsletter of this nature and payment should be made in advance of publication by cheque (made payable to Collingwood College) or by bank transfer (details will be provided once advert has been approved).

Please address payment envelopes to: 'Newsletter Adverts', c/o Kingston Office and email a copy of your advertisement to [tc@collingwood.surrey.sch.uk](mailto:tc@collingwood.surrey.sch.uk)

**We are also happy to advertise goods for sale on behalf of parents and students for £4.00/week.**

# ONLINE TALK - SCHOOL AVOIDANCE, HOSTED BY NATIONAL AUTISTIC SOCIETY (NAS) SURREY BRANCH

The NAS is hosting an online talk entitled 'School Avoidance: The Truth Behind the Tears – from Barriers to Breakthrough' by Suzy Rowland from Happy in School on Tuesday 8 March from 8.00pm –9.30pm.

In this talk, Suzy will discuss current practice and strategies on areas including:

- ◆ Balancing your child's emotional and educational needs.
- ◆ Strategies to manage child and adolescent anxiety.
- ◆ Co-producing your child's support plan with the school.
- ◆ How to restore your child and family to positive emotional well-being.

She will examine the stories behind school avoidance, sharing the words of some of the young people and families she's spoken to in writing her forthcoming book. In the last few years (even before COVID), staggering numbers of pupils have been absent from school, not just missing a day here or there, but having long gaps in their education.

The talk is free for Surrey parents. To book a place, please go to:

<https://www.eventbrite.co.uk/e/school-avoidance-the-truth-behind-the-tears-frombarrier-to-breakthrough-registration-247120894247>

## NAS STEPPING UP FOR AUTISM COURSES FOR PARENTS

As part of the new Mindworks Surrey offer, NAS professionals offer Stepping Up for Autism courses for parents and carers. These are eight-session courses for parents and carers of children and young people who are autistic or have similar needs, and live in Surrey. The sessions include:

- ◆ Understanding autism
- ◆ Family Wellbeing
- ◆ Communication
- ◆ Understanding Behaviour
- ◆ Sensory Differences
- ◆ Supporting Social Skills.

A range of dates, times and formats are available with a number of courses running each term. Call 01483 521 744 or email [surrey.familysupport@nas.org.uk](mailto:surrey.familysupport@nas.org.uk) to book.

# ON BEHALF OF SURREY AND BORDERS PARTNERSHIP - OUT OF HOURS SUPPORT FOR PARENTS/CARERS

Families have told us they would like access to out of hours support at the time they are struggling with behaviour / difficulties which could be related to neurodevelopmental need, such as autism or ADHD.

An out-of-hours phone line now provides advice to parents and carers and runs from 5pm until 11pm, seven days a week, 365 days a year. More details here:

<https://www.mindworks-surrey.org/our-services/neurodevelopmental-services/out-hours-advice-line>

# Library Newsletter

## Book of the week

**The book for Year 7 & 8 – Lampie**  
Lampie must light the lantern in the lighthouse to warn ships but one night the lantern goes out and a ship is wrecked. In disgrace she is sent to work as a maid at Admiral's Black House and is soon drawn into a fairy-tale adventure where she fights for friendship, freedom, and a right to be different. "Great characters, great story telling from beginning to end." 'Lampie is a wonderful character, full of life, determination and adventure' book review on Waterstones.

## Non-Fiction Section

**TUDOR TIMES!!!!!!**

This week we have chosen the section 942.02. It is a section dedicated to the Tudors.

A wide range of books ranging from the different wars and everyday lives, the role of the church and Henry VIII.

Reading helps improve concentration. This focus is applied to other parts of our lives and helps us be more efficient at getting work done.

## World Book Day

Thursday 3 March

To celebrate World Book Day, each Year 7 and 8 student will be given a book token during registration this week. Look out for them. If you don't use them, please pass them on.

## Classic title of the week

**A Farewell to Arms by Ernest Hemingway**

An unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. The profound struggle between loyalty and desertion — this gripping, semi-autobiographical work captures the harsh realities of war and the pain of lovers caught in its inexorable sweep. 'It was the book that has made the very strong impression on me' book review on goodreads.

## Reminders

Can you please encourage your son/daughter to return any overdue library books/DVDs as soon as possible to avoid possible behaviour points. If you have any issues, please email: [s.blay@collingwood.surrey.sch.uk](mailto:s.blay@collingwood.surrey.sch.uk)

# Careers Fair 2022

Wednesday 9 March, Sports Hall

## EXPLORE FURTHER EDUCATION AND EMPLOYMENT OPTIONS

Our careers fair will help students discover some of the opportunities available to help them map out their future.

This event is an excellent opportunity to meet a variety of employers and universities in one place.

Students will attend during the College day in their Year Groups.

# YEAR 10 WORK EXPERIENCE

## Where will you go?

## All placements must be submitted on Grofar by the 25 March 2022

See letter dated 1 December 2021

### Maths After College Revision Topics 2021-22

(General Revision run every Monday in G9 with Mrs Vassallo)

Date	Topic	Foundation Grade 1-4/5 Mrs Walker – G24	Intermediate Grade 4-6 Mrs Murphy – G26	Higher Grade 7-9 Miss Taylor – G10
<b>Autumn Term</b>				
20 <sup>th</sup> September	Fractions	4 operations with fractions	4 operations with Mixed Fractions	Algebraic Fractions
27 <sup>th</sup> September	Decimals	FDP Conversion	FDP Conversion (worded questions)	Recurring Decimals
4 <sup>th</sup> October	Percentages	Percentages of amounts, increasing and decreasing	Multipliers, reverse, compound	Growth and Decay
11 <sup>th</sup> October	Compound Measure	Speed Distance Time	Density Mass Volume	Pressure and Density Problems
18 <sup>th</sup> October	Types of Number	Squares, square roots, cubes, primes, LCM, HCF	Surds	Rationalising the Denominator
<b>Half Term</b>				
1 <sup>st</sup> November	Ratio & Proportion	Using ratio and solving simple problems	Best Buys, ratios in the form 1:n	Similar Shapes, Solving complex problems
8 <sup>th</sup> November	Area	Area and perimeter of shapes	Volume and Surface Area	Frustums
15 <sup>th</sup> November	Factorising & Solving	Linear expressions and equations	Quadratics, Completing the square	Quadratic Formula, Completing the square where $a \neq 1$
22 <sup>nd</sup> November	Mocks	General Revision (Grade 1-4/5)	General Revision (Grade 4-6)	General Revision (Grade 7-9)
<b>29<sup>th</sup> November - INSET DAY</b>				
6 <sup>th</sup> December	Graphs	Linear Graphs ( $y = mx + c$ )	Parallel and Perpendicular Lines	Quadratic Graphs
13 <sup>th</sup> December	Averages	MMMR for Raw Data and Frequency Tables (ungrouped)	MMMR from Grouped data	<i>Functions</i>
<b>Christmas Holidays</b>				
<b>Spring Term</b>				
10 <sup>th</sup> January	Indices	Index notation and Index Laws	Calculations with Indices	Zero, negative and fractional indices
17 <sup>th</sup> January	Standard form	Powers of 10 and Standard Form	Calculations with Standard Form	Problems with Standard Form
24 <sup>th</sup> January	Sequences	Types of sequences and nth term (linear only)	Nth term	Nth term (linear and quadratic)
31 <sup>st</sup> January	Transformations	TERR	Negative and fractional Enlargements	Graphical transformations
7 <sup>th</sup> February	Mocks	General Revision (Grade 1-4/5)	General Revision (Grade 4-6)	General Revision (Grade 7-9)
<b>Half Term</b>				
<b>21<sup>st</sup> February - INSET Day</b>				
28 <sup>th</sup> February	Trigonometry	Pythagoras and SOHCAHTOA	3D Pythagoras and Trigonometry	Sine and Cosine
7 <sup>th</sup> March	Simultaneous equations	Solving simple simultaneous equations	Real-life situations and finding the equation of a straight line	Simultaneous equations with quadratic equations
14 <sup>th</sup> March	Inequalities	Solving simple inequalities	Solving inequalities	Quadratic inequalities and Graphical inequalities
21 <sup>st</sup> March	Probability	Venn Diagrams and Tree Diagrams	Non-conditional and Conditional events	Set Notation and Mutually Exclusive events
28 <sup>th</sup> March	Circles	Circle area and circumference	Sector area and arc length	Circle theorems
<b>Easter Holidays</b>				
<b>Summer Term</b>				
25 <sup>th</sup> April	Graphs	Pie Charts, Scatter Graphs and Stem and Leaf	Cumulative Frequency and Histograms	Area under a curve
<b>2<sup>nd</sup> May - Bank Holiday</b>				
9 <sup>th</sup> May	Vectors	Bearings and simple vectors	Calculations with vectors and finding the resultant	Proof (parallel/colinear lines, geometric proofs)
16 <sup>th</sup> May	Exams	Paper 1 Revision	Paper 1 Revision	Paper 1 Revision
23 <sup>rd</sup> May	Exams	Paper 2 Revision	Paper 2 Revision	Paper 2 Revision
30 <sup>th</sup> May	Exams	Paper 3 Revision	Paper 3 revision	Paper 3 revision

# CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities.

Please use the links included to read more information and apply to anything you are interested in.

Links are underlined.

Remember, you can use Unifrog and Career Pilot any time to research your career options, take part in quizzes and see which jobs might suit you.

## OPPORTUNITIES

National Apprenticeship Week 2022 is taking place next week!

Make the most of the events on offer from employers. You can view the event listing here.

Here are some resources you can look at from Amazing Apprenticeships to support your National Apprenticeship Week planning.

Not Going to Uni are running a range of employer and apprentice talks on their Instagram channel. Here are the times/dates:

- Monday all day: A current apprentice will be taking over the NGTU stories to answer your questions
- Monday 7pm: HSBC Live
- Tuesday 7pm: Bloomberg Live
- Wednesday 7pm: Apprentice Live
- Thursday 7pm: DHL Live
- Friday all day: A current apprentice will be taking over the NGTU stories to answer your questions

On Wednesday 9th March at 6.30pm, Google are running an information session for parents and students to learn about their apprenticeship programme. You can read more and register here.

Speakers for Schools have the following Virtual Work Experience placements running in February, the deadline is approaching so you need to apply by 4th February if you want to take part:

- 3-day VWEX from 22nd February: Babcock Marine
- 3-day VWEX from 22nd February: DSTL
- 1 day VWEX into the water industry on 23rd February with Severn Trent: (closing date also 4th February)

## JOB OF THE WEEK

### Aerospace Technician

Aerospace engineering technicians design, build, test and repair civil and military aircraft. You can earn up to £35,000 per year and expect to work around 40-42 hours per week.

There will be 1% more Aerospace Technician jobs by 2026.

You can read more about this here.

## LABOUR MARKET INFORMATION FACT

Controversial though it may be, research shows that employers are increasingly investing in technology designed to monitor and track the behaviour of their employees in order to drive efficiency.

How would you feel about being tracked during your working day?

Read more here.

If you have any questions or need support, please email [careers@collingwood.surrey.sch.uk](mailto:careers@collingwood.surrey.sch.uk)

# CAREERS NEWSLETTER

## OPPORTUNITIES

The Big Bang competition is back! Do you have a passion for Science, Technology, Engineering or Maths? Taking part in the Big Bang Competition will help you to:

- Build confidence and teamwork skills
- Solve problems
- Get expert feedback
- Celebrate and share your work

You can read more and get involved [here](#). Entries close on 20th March.

Unsure about your next steps at the end of Year 11? The Government have put together a new website full of online resources to help you learn more about T Levels, A Levels, BTecs and Apprenticeships. The website is called "Get the Jump: Skills for Life" and you can check it out [here](#).

The brand-new Higher and Degree Apprenticeship Vacancy Listing is now available to download. Showcasing current vacancies across a wide range of sectors, the listing brings together the very best of higher and vocational education opportunities! [Click here](#) to download.

Think you want to go to university but not sure what you want to study? UniTasterDays have a range of on demand webinars that you can watch any time. They focus on different industries so you can select and watch the ones that you're interested in. You can select and watch them [here](#).

## EMPLOYER SPOTLIGHT

[Audi](#) is a German automotive manufacturer of luxury vehicles headquartered in Ingolstadt, Bavaria, Germany.

They have a range of sites across the UK and have both an apprenticeship and graduate programme that allows you to enter their workplace training programmes no matter what stage of your journey you're at.

You can read more [here](#).

## UNI SPOTLIGHT

[University of Greenwich](#)

"At Greenwich we have transformed our events to give you the chance to explore our courses, facilities, accommodation and our student support services both in person at our beautiful campuses, or virtually from your own home. We cover a broad range of subjects at foundation, undergraduate and postgraduate level."

Search their courses [here](#).

**No idea where to start with planning your career? Don't worry! There are lots of tools out there to help you!**

- [Panjango](#): this is an online world where you can learn about different jobs and take part in challenges to see if you like them.
- [Career Pilot Career Quiz](#): This matches your skills, interests and hobbies to job roles. Great for Years 7-10.
- [Prospects Career Quiz](#): This matches your skills, interests and hobbies to job roles. Great for Years 11-13.
- [Launch Your Career Personality Quiz](#): This will tell you about your personality type and where it could fit in the workplace.

If you have any questions or need support, please email [careers@collingwood.surrey.sch.uk](mailto:careers@collingwood.surrey.sch.uk)

## Information Flyer for Schools & Families- Spring Half Term 1, 2022

**Appeer** is a community interest company operating to benefit autistic girls and women. We deliver online and in-person sessions in Surrey for both the girls and their parents/carers. We aim to foster a **Positive Peer Approach** by sharing interests, connecting with each other, celebrating autism, and offering support. Appeer is run by parents of autistic daughters and some of our staff are neurodiverse themselves. We look forward to meeting you soon!

**Autistic Girls** We offer both online and in-person sessions for autistic girls aged 7 -12. These are facilitated by our specialist staff and lead by Kris our Girls' Programme Manager. Our Zoom sessions include Wednesday Club, where new session themes are always guided by the girls' interests and hobbies, and Minecraft and Roblox sessions which offer the girls a valuable chance to connect by sharing tips and building together. Click the images to find out more information and to book.

We hold our Girls' Group on monthly Sundays at St Andrew's School in Woking. Our 7- 10-year-old session for January 23rd is now full. Bookings open on 7th February for February's Group so keep an eye on our website. There are still spaces in the older session so please click image to book the older girls' session

**Autistic Teenage Girls** We know how hard it is to find support for autistic teenage girls, so we aim to provide a space for them to connect. Our monthly, Teen Group is currently held at Henley Fort which is an outdoor learning centre in Guildford. Each session involves two activities (outdoor adventure, arts/crafts or other interest-based sessions). We always have a facilitated 30-minute break where girls can continue their craft, sit in the sensory tent, or go for a walk with one of the team. We help the girls access all activities with a "challenge through choice" approach. Bookings open on 17th January for our February Group so keep an eye on our website.
