

STUDENTS' ACHIEVEMENTS CELEBRATED AT SPECIAL EVENING

On Thursday 26 January, a second celebration event took place in Kingston Theatre. Teachers, SLT, Governors of the College and even the Mayor of Surrey Heath, Cllr Helen Whitcroft, presented awards celebrating the successes and achievements of our students throughout the evening.

Students were recognised for outstanding sporting and literacy achievements, their leadership skills, outstanding GCSE performances, academic excellence and making outstanding progress in their learning whilst an audience of proud parents looked on. The College welcomed Mr and Mrs Hempson to College to present the Syd Hempson Award for Creativity and Miss Watling awarded some of our special awards honouring students' resilience and overall contribution to the College.

Celebration Event

I was delighted to attend the Celebration Evening last month that was hosted superbly by our Sixth Form prefect team to finally recognise the cohort of 21-22. It was a magnificent event, where I was particularly delighted that Councillor Helen Whitcroft along with Mr and Mrs Hempson were able to support our awards ceremony once again and who helped contribute to making it such a special evening. We celebrated over one hundred students for their outstanding achievements and excellent contributions to College life. A truly wonderful evening!

YEAR 7 BASKETBALL TEAM CREDIT TO COLLINGWOOD!

On Tuesday 31 January our Year 7 boys' basketball team travelled to St John the Baptist School, knowing that a tough evening lay ahead.

On court straight after arriving, our match against Woking High proved difficult, but the lads showed great spirit and kept going.

Subsequent games against SJB, Salesian and Winston Churchill saw us improve in each, in very close encounters.

The boys were a credit to themselves and the College. They worked tirelessly and with a great attitude.

Squad: Bhagat Sandhu, Jayden Chan, Toby Gilchrist, Harry Lincoln, Joseph Denford, Omar Tsia

ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

PPE Examinations and Booster Breakfasts

We are just coming to the end of our second round of PPEs (mocks) and I would like to congratulate our students on again applying themselves brilliantly and persevering through the two weeks. Our exams and invigilator team have commented to me again about how well our students have conducted themselves and enthused about their exemplary behaviour. This all bodes well for the summer exams!

Once again, the booster breakfast programme has been well received where students have appreciated the quick revision tips before their examinations whilst eating a croissant or two! I am delighted to see that a number of students have already signed up for the February Power Up Days to support their revision programme and close any gaps in their learning. If you would like your son or daughter to join the Power Up Days, please contact Miss Robinson.

INSET Day

A reminder that on Monday 20 February the College is closed to students due to a staff INSET day and that students should return to College on Tuesday 21 February.

Year 9 Parents' Evening

Due to the planned industrial action on Thursday 2 March, the date for the remote Year 9 Parents' evening has been changed to Tuesday 28 February.

Strike Days

A reminder to you that the NEU have further planned strikes in March on the following dates:

- ◆ Thursday 2 March
- ◆ Wednesday 15 March
- ◆ Thursday 16 March.

We are currently working closely with our staff union representatives, where we have carried out an initial risk assessment which includes modelling the anticipated staff absence for Thursday 2 March. This is obviously difficult to predict, but we do have a large majority of staff in the NEU. I therefore anticipate that I am likely to decide that we need another partial College closure and would ask that you make the necessary arrangements for these dates. I will of course confirm our plans after half term once we have finalised our risk assessments and I can only emphasise that it remains my priority to keep the College open to as many students as is safely possible to do so.

Happy half term to you all!

Miss Watling - Senior Vice Principal

STUDENTS' ACHIEVEMENTS CELEBRATED AT SPECIAL EVENING

[CONTINUED FROM PAGE 1](#)

The Head Prefect at Collingwood, Charlotte Morris, and Deputy Head Prefect, Heidi Perkin, were fantastic Masters of Ceremony for the evening. They were also joined by Jake Pang, another Deputy Head Prefect, who did a brilliant job handing out awards to each presenter. Head Girls Lexie Coster and Sophie Cherry proved an excellent asset in aiding the smooth running of the event and Luca Ward for capturing the event on camera. Special thanks to Mrs Valu, Venushi Kalubalage in Year 11 and Archie Mynott in Year 10 for making the event look and sound so good. The awards were interspersed with some outstanding student reports and performances.

Three of our music students took the stage to tell us about their experience taking part in a Army Brass Band workshop. Owen Flude, Freya Moran and Ben Harth spoke eloquently about what they gained from the experience and the activities that they took part in during the day. It was lovely to hear about yet another activity that is offered to our students here at Collingwood.

Ryan de Ruijter also gave an outstanding performance on the piano captivating his audience with an Einaudi piece. Following this, Leah Hall sang a number from our upcoming College production of Six accompanied by Jake Pang. Both of these performances are testament to the talent that Collingwood students have and it was fantastic to be able to showcase this at the event.

This was an excellent event where we could all come together to recognise our students. Our pride for all of our students' success is key in the College community and ethos, and we were delighted to be able to celebrate this formally and publicly.

More photos from the evening can be viewed on Page 5.

Why Learn Languages?

Reason #7: Higher Education

In many fields (science, medicine, law, politics, journalism...), a reading knowledge of a foreign language is expected in order for scholars to conduct research and communicate with their foreign counterparts.

Foreign language courses
are a requirement for
many degrees.

Library Newsletter

Friendship

During February in the library, we are dedicating the month to the theme of Friendship.

Students will have access to a selection of fiction books based on friendship. We also have a selection of non-fiction books based on mental health and acceptance.

On the table, students will be able to fold origami hearts, complete colouring activities based on happiness, friendship and inner peace. Also, the usual word searches and crosswords.

Last plea for our missing books

19 of our "Dr Who" books have gone missing from the library without being checked out which is very unusual.

If you do notice that your son or daughter has one of these books, please ask them to bring them to the library in order for us to check them out properly onto their library cards.

It is a very old collection; it has been used by 2 generations of students and is still a popular choice nowadays.

Can you please encourage your son/daughter to return any overdue library books/DVDs as soon as possible to avoid possible behaviour points. If you have any issues, please email: s.blay@collingwood.surrey.sch.uk

UNIFORM BANK

Our second hand Uniform Bank will
open over February half term on

Tuesday 14th February
Wednesday 15th February
Thursday 16th February

in Kingston building between
10am and 2pm

If you have any items of uniform that are no longer required,
please donate these to our uniform bank (in a good, clean
condition) and hand into Kingston reception during the period
Monday 6 February to Friday 10 February.

Feel free to pop along during the above times although we
cannot guarantee to have the sizes you require.

This is a free service, however if you feel you would like to make a small
donation to the school fund, a box will be provided for you to do so.

WORK EXPERIENCE NEEDED CAN YOU HELP ?

WE ARE LOOKING FOR PLACEMENTS FOR OUR WORK EXPERIENCE PROGRAMME FOR STUDENTS IN YEAR 10 AND YEAR 12

Our work experience week is from Monday 3rd to Friday 7th July 2023.

We are in search of employers and organisations which will allow our students to gain practical experience and find out what it's really like in a specific field. This will help them make informed choices prior to making applications to further education, apprenticeships or employment.

We would love to hear from you!

For further information, please email Mrs Clelland - e.clelland@collingwood.surrey.sch.uk

WHY CHOOSE LEVEL 1/2 VOCATIONAL AWARD IN PERFORMING ARTS?

Do you have a passion for performance? Are you a budding actor, dancer or musician? Do you want to discover more about the fantastic roles behind the scenes - from costume design and make-up, to set design and lighting?

If so, it's time to uncover your potential - find out more about this exciting qualification today!

WHAT WILL I STUDY?

This qualification is made up of 3 units:

Unit 1: Performing

- You will learn the skills and techniques needed to produce a successful performance of an existing work, such as a piece of music or an extract from a play or show.

This unit can be completed through any of the following disciplines:

Drama, Music, Music Technology or Musical Theatre (which may incorporate dance).

Unit 2: Creating

- You will learn how to create and refine your own original work in performing arts, such as choreography, designing costumes or composing music.

This unit can be completed through any one of the following disciplines:

Devised drama, Choreography, Composition, Composition using technology, Costume design, Lighting design, Make-up and hair design, Set design, Sound design.

Unit 3: Performing Arts in Practice

- You will learn about areas of the performing arts industry that need to be considered when responding to a commission, and will consider these when coming up with and pitching your own idea.

HOW WILL I BE ASSESSED?

You will be assessed through project work.

For Units 1 and 2 you will undertake projects (not exams) in response to briefs. The project for each Unit will take 10 hours and be worth 30% of your qualification. For each one you will be given a scenario and will need to undertake a number of tasks.

In Unit 3 you will undertake another project (no exam) in response to a brief, which will take 20 hours and be worth 40% of your qualification. You will be given a scenario and will need to undertake a number of tasks.

WHAT SKILLS WILL I DEVELOP?

You will develop a range of skills which are attractive to employers, colleges and universities including:

- Communication
- Confidence
- Learning independently
- Organisation
- Problem solving
- Research
- Self-discipline
- Stamina
- Taking on responsibility
- Time management.

Surrey Heath Young Photographer/ Film Maker Competition,
part of our Climate Change Exhibition
20th February to 8th July 2023

Surrey Heath museum would like to inspire as many young people as possible and celebrate nature on their own doorstep through photography and filmmaking—take a quick shot of an animal or create a film, you decide!

The competition is inspired by local habitats and the plants and animals that live in them. We want you to go out in your local area and investigate! Have a look around the habitat you live near to, this could be a local park, your garden, the trees in your street or even under a rock.

The entries will be judged in two categories; under 14 and over 14 and there will be a first prize for the winner of each category.

All entries will be displayed on the Museum's Facebook page.

We would like secondary school children aged 11 to 16 years old submit a photo story or film, showcasing one or more of the following:

- Wildlife living free in Surrey Heath
- Surrey Heath conservation
- Surrey Heath environmental issues.

How to Enter.

Send your entries to museum@surreyheath.gov.uk with the email subject as 'Nature Competition'. If it is a video file or is a large file, please use WeTransfer to Kathy.joice@surreyheath.gov.uk.

Only one entry per person will be accepted.

You must include your name, age, address and postcode, email address, contact telephone number and school you attend. Entries must have reached us by: 8th July 2023

Surrey Heath Museum, 33 Obelisk Way, The Square, Camberley, Surrey, GU15 3SG

Nadia uses her years of experience to give you a taste of what being on the Master of Pharmacy (MPharm) course is like at UCL. Learn about drug combinations, take in the aspirin case study, and understand what's involved when you're a pharmacist.

Law: Join Mike Meehan as he explores the law's response to covid, how it impacted us as a society, the new laws that covid has prompted, and the rules and regulations that impacted our freedom and human rights during the recent pandemic. He'll also be posing a review and engage exercise to test your knowledge!

Music: Join Dr Tom Attah as he both defines and contextualises popular music as a socio-cultural activity and practice, looks at how popular music genres are made up of individual style elements, and discusses music as a form of 'language'. Tom also thinks about listening to music for feeling in a fascinating activity involving the theme tune to Jaws!

JOB OF THE WEEK

Equalities officers make sure people are treated equally in an organisation by promoting positive practices and attitudes.

The annual salary is £22,000 to £45,000 and expect to work 38 to 40 hours a week.

There will be 3.9% more Equalities officer jobs in 2027.

OPPORTUNITIES

SEND Education: Join Trevor Cotterill as he looks beyond the labels when considering Special Educational Needs and Disability (SEND), thinking about how we use labels and categories when identifying SEND, the issues surrounding the notion of inclusion, and an introduction to the complexities associated with identifying the characteristics of autism. Trevor also poses two case studies relating to autism and challenges you to apply your understanding of the topics covered in this Subject Spotlight.

Personal finance: Join Paul Bentley as he explores the world of personal finance, with a particular spotlight on understanding finance and the stock markets, exploring currency and the logic behind investing. He'll also be posing an interactive activity for you to tackle, which will heighten your awareness of the world of personal finance!

Media: Join Dr Jilly Kay as she discusses how the media shapes our identities, the role the media plays in social justice movements, and how media and communication are transforming politics in the modern age. She will also analyse the media framing of the black lives matter movement, posing a research task for you to aid your understanding.

Fashion: Join Teodora Mitrovska & Seun Ade-Onojobi as they ask the question: "Is Great Fashion the Product of a Great Team or an Individual?" in a series of episodes that culminate in an interactive and absorbing Subject Spotlight focussed on fashion.

Canine Therapy: Join Lauren Hunt as she poses the question "Is it just humans that benefit from rehabilitation?" in a series of episodes that culminate in a totally original and exciting Subject Spotlight focussed on Canine Therapy.

Economics: Join Dr Marianna Koli as she poses the question "Why are some countries poor?" in a series of episodes that culminate in a fascinating and topical Subject Spotlight focussed on Economics. She will be looking at global inequality, who is responsible for that, the uneven distribution of Covid-19 vaccines during the recent pandemic, and the impact of the pandemic on the global economy.

NHS Reservist

- Are you interested in embarking on a career in the NHS?
- Do you want to experience what it is like working in the NHS?
- Do you want to help your community by helping your local NHS?

If you answered yes, the **NHS Reservist programme** could be for you!!

A reservist is someone who is passionate about patient care, working with diverse teams and can help the NHS during peak times and emergencies. As a NHS reservist you'll be part of a paid, flexible yet reliable workforce who will be given thorough training relevant to your role.

Roles are flexible and can fit around your lifestyle. **Find out how you can make a difference, email: BHFT.Reservist@berkshire.nhs.uk**

Not sure about the variety of roles in the NHS? Why not check out the 'Career Mapper', take the test, and discover what jobs might suit you! [Step Into The NHS :: Take the test](#)

Work Experience and Work-Related Learning - present opportunities for people to experience what it is like to work in health and care. They provide unique insights into careers – the interactions, schedules, emotions, sensations and outcomes associated with a range of roles on offer. **Work experience:** takes place in the workplace and allows people to experience what it is like to undertake a job supervised by staff who already work in the environment. Duration can last between 1 day up to 2 weeks, depending on the organisation. **Work-Related Learning:** (online or in person). Provides a deeper understanding of the skills and knowledge required in the workplace through curated content, with clear learning outcomes. Check out the below programmes and find out more:

Allied Health Professions: www.springpod.com/virtual-work-experience/allied-health-professional-online
