## Collingwood College COVID Catch-up Premium

| Summary Information |                 |                              |                   |                  |      |
|---------------------|-----------------|------------------------------|-------------------|------------------|------|
| School              | Collingwood Col | lege                         |                   |                  |      |
| Academic Year       | 2020 – 2022     | Total Covid Catch up Premium |                   | Number of Pupils | 1750 |
|                     |                 | 11 – 16                      | £123,920          |                  |      |
|                     |                 | 16 - 19                      | £5525 (2021/2022) |                  |      |

| Academy catch up funding allocations are calculated on a per pupil basis pro<br>is designed to mitigate the effects of the unique and disruptive effects of the | viding each academy with £80 per child from Reception to Y11. The funding global pandemic. |
|---|--|
| Children and young people across the country have experienced unpreceder  |  |
| · · ·   | ed backgrounds will be among those hardest hit. The aggregate impact of los                |
| time in education will be substantial, and the scale of our response must ma  | tch the scale of the challenge.  |
| Use of Funds  | EEF Recommendations  |
| Schools should use this funding for specific activities to support their pupils to  | The EEF advises the following:   |
| catch up for lost teaching over the previous months, in line with the guidance  | Teaching and whole school strategies   |
| on curriculum expectations for the next academic year.  | Supporting great teaching  |
|   | Pupil assessment and feedback  |
| Schools have the flexibility to spend their funding in the best way for their   | Transition support   |
| cohort and circumstances.   | Targeted approaches  |
|   | One to one and small group tuition   |
| To support schools to make the best use of this funding, the Education  | Intervention programmes  |
| Endowment Foundation (EEF) has published a coronavirus (COVID-19) support   | Extended school time   |
| guide for schools with evidence-based approaches to catch up for all students.  | Wider strategies   |
| Schools should use this document to help them direct their additional funding in  | Supporting parent and carers   |
| the most effective way.   | Access to technology   |
|   | Summer support   |
| Identified impact of lockdown   |  |

- Interrupted progress as a result of periods of isolation or National Lockdown
- Social or mental health concerns
- Ability to switch between face to face and remote learning with minimal disruption to learning.

Expenditure 2020/2021 The headings below are grouped into categories outlined in the Education Endowment Foundation's Coronavirus support guide for schools

| i. Teaching and whole-school strategies                |   |   |             |      |
|--|---|---|-------------|------|
| Desired outcome  | Chosen approach and anticipated cost  | Impact  | Review Date | Cost |
| Supporting Remote Teaching                             | Surface Pros issued to all staff prior to March   | All students taught using   | July 2021   | £O   |
| during periods if lockdown or<br>Covid related absence | 2020 lockdown and training provided for<br>Microsoft 365 platforms and Apps.  | OneNote or via TEAMS  |             |      |
|  | OneNote used to provide work for students<br>whose learning is interrupted due to a Covid<br>related absence.   | School has adopted OneNote as the platform for student learning   |             |      |
|  | CPD via TEAMS to all staff  | TEAMS as a tool for CPD embedded  |             |      |
|  | Leaders of Learning appointed to support<br>each Faculty with technological support with<br>365 platforms.  | Support has enabled all staff to use 365 platforms effectively for remote learning.   |             |      |
