

Collingwood College - Summer School 2021

26th July – 30th July 2021

The Aims

To invite 45 Year 6 students from feeder schools to attend a varied programme with Collingwood staff and Sixth Form helpers. The Summer school offered students an important opportunity to support their wellbeing and engage in enrichment activities, such as team games or sports activities and to experience a secondary curriculum. Furthermore, it allowed them to build better relationships with their peers, teaching staff, sixth form students as well as familiarising themselves with their new school.

Objectives

- To enable Year 6 into Year 7 feeder school students the chance to acquaint themselves with secondary school life, staff and students.
- To focus on students who may be disadvantaged or more anxious about attending secondary school (as identified by the primary school)
- To allow these students to encounter subject areas that they may have missed due to COVID

Spend

Experience/Staffing	Cost
Staffing	8939.24
Catering	544.03
Off site activities	965.00
Total	10,448.27

Example Programme

		Monday	Tuesday	Wednesday	Thursday	Friday
