

Dear All,

As you will be aware with the current situation you may need to be working at home due to the College being partially closed, or needing to self-isolate. Our expectation is that, if you are well, you will use this time to complete work in **English, Maths and Science as indicated below**. We do appreciate that you may be feeling concerned about the current situation and we want to reassure you that we will do our utmost to support you through this time.

In order that we continue with our learning, you will also be encouraged to complete any Home Learning that is set in all of your subjects as well as continue with your revision where appropriate. If you are well enough, we would hope that you are able to complete approximately 3 hours of work each day. We also suggest that you take the opportunity to read for pleasure and do some exercise too!

Year 10	<a href="#">Year 10</a>	<a href="#">See Hegarty Maths online</a>	How could the investigation be improved? Write a detailed method to carry out an investigation including all of your improvements. Include a risk assessment and measures you will take to minimise the risk to the investigators.
Year 11	<a href="#">Year 11</a>	<a href="#">See Hegarty Maths online</a>	Students can also access <a href="#">Kerboodle</a> and <a href="#">Focuselearning</a>

If in the future the College is fully closed, you will receive an updated email outlining further plans to support your learning. If you are unsure about the work set, please contact your subject teacher via College email in the first instance. If you are concerned about your wellbeing, please get in touch with your Year Manager who will be able to offer some guidance.

Regards

Mrs Wright – Assistant Principal
